MONDAY, JULY 20, 1863.

THE CITY.

Postal Rates.—On the 1st of the Fall multiples to be charged will be one cent. Each drop will be charged one cent. Letters for the Canadas, Great Britain, France, Switzerland, Prussian Posts, and in a few weeks Mexico, Europe will have been restored to what it was before the Grand Fair.

Drowned.—John Williams, James Mahoney and Michael Mahoney lost their lives, each drowned a few days since on the shores of Lake Michigan in the Fox-river Valley. The bodies of the first two were found, but that of the latter has not been recovered. The deceased were all residents of Chicago.

The Sidewalk Ordinance.—If Mr. Hilbert Hand are requested to meet on Monday at 7 o'clock P. M. at the rooms of the Young Men's Christian Association, for the purpose of organizing a Ward Committee to carry out the sidewalk ordinance. By order of the Committee.

Removal of the Police Court.—Hereafter the Police Court will be held in the Court-house, instead of the building on the corner of Lake and Clark streets, as heretofore. The change is made for convenience.

Postal Matters.—The free delivery of letters by carriers in the city of Chicago has been extended to 2,000 houses, and it has vacated about 1,500 boxes in the Chicago Post Office. Many of our heavy business men will soon find it convenient to call at the counters, who now get their letters delivered at their residences. The Postmaster daily in charge of the delivery department, Mr. Hall, has now applied for additional clerks, two female clerks, and two carriers, to meet the increased demand. The applications will receive favorable consideration, as the necessity for the increase is a great convenience to the public, and will be a benefit to the Government by increasing the revenue.

Postal Matters.—The free delivery of letters by carriers in the city of Chicago has been extended to 2,000 houses, and it has vacated about 1,500 boxes in the Chicago Post Office. Many of our heavy business men will soon find it convenient to call at the counters, who now get their letters delivered at their residences. The Postmaster daily in charge of the delivery department, Mr. Hall, has now applied for additional clerks, two female clerks, and two carriers, to meet the increased demand. The applications will receive favorable consideration, as the necessity for the increase is a great convenience to the public, and will be a benefit to the Government by increasing the revenue.

Perjury.—The crime of perjury is becoming a very common one in Chicago. Robert Wakefield, of the blind horse notoriety, has been reported in the papers during the past week. On Saturday afternoon a German, named Frederick Schlegel, was arraigned from the lock-up charged before Justice J. B. Rosen, on the charge of perjury in swearing to a false affidavit in the case of Frederick Schlegel vs. Frederick Schlegel, in which a writ of attachment was issued by Justice Rosen. The defendant in the case, Mr. Schlegel, is a well-known citizen of the North Side, and has been in the city for many years. The complainant in the case is a German, who came to this country but a few months since. The affidavit upon which the writ was issued was sworn to by the complainant, and charged Mr. Schlegel with having left the city with the intention of defrauding his creditors. The defendant, on being arrested, produced a number of witnesses, who testified that he had not left the city, and that he had no intention of doing so. The case was then dismissed, and the complainant was arrested on a charge of perjury. He was held to bail in the sum of $1,000 for trial before the Criminal Court.

Removed.—The Secretary of State has removed Notary Public Hall, of Cook county, for failure to file his official bond.

Fire.—Yesterday morning, at about 2 o'clock, a fire was discovered in the rear of the building on the corner of Lake and Clark streets, occupied by Mr. Hall as a boot and shoe store. The fire originated in the rear of the store, and had made considerable headway before it was discovered. The building was owned by Mr. Hall, and was insured for $1,000. The stock was insured for $2,000. The loss on the building will be about $1,000, and on the stock about $2,000. The fire was extinguished by the Fire Department.

Another Fire.—At about 4 o'clock yesterday morning a fire was discovered in the rear of the building on the corner of Lake and Clark streets, occupied by Mr. Hall as a boot and shoe store. The fire originated in the rear of the store, and had made considerable headway before it was discovered. The building was owned by Mr. Hall, and was insured for $1,000. The stock was insured for $2,000. The loss on the building will be about $1,000, and on the stock about $2,000. The fire was extinguished by the Fire Department.

Union Veteran Relief Association.—We have received a copy of the Constitution and By-Laws of the "Union Veteran Relief Association," an organization recently formed in this city. Its membership is principally German, though it is open to ex-soldiers of every origin. The object of the Association is to relieve the necessities of invalids with no pension or one that is insufficient, and the performance of the last rites of burial, and decent burial of their dead comrades. The Association is to be governed by a Board of Directors, consisting of the Secretary, Treasurer, Clerk, and one Director from each Ward in the city. The officers of the Association are as follows: President, Henry Greenebaum; Vice-President, Capt. Wm. Hoffman; Secretary, Capt. Wm. Hoffman; Treasurer, Capt. Wm. Hoffman; Clerk, Capt. Wm. Hoffman; Directors, Capt. Wm. Hoffman, Capt. Wm. Hoffman, Capt. Wm. Hoffman
